ARIES: Janet Tucker Alley, Vera Shields, and Debra Sharp.

The Aries person is self confident and restless. No one is more ready to be friends or more impulsive than people born under this sign.

TAURUS: Dennis Walker, Kevin Radley, and Danny Ratliff.

The Taurus person likes to make up his own mind, and doesn't appreciate advice. He is both stubborn and determinded as well as being very affectionate and jealous.

GEMINI: Sandi Hanger, Joe Privett, James Freeman, and Florissa Kanuho.

Because of the constant search for new activities, the Gemini is never bored for long. He has a light breezy personality and likes a sense of humor in those around him.

CANCER: Gregory Topetchy, Val Gokey, Barbara Wade, and Mike Burnett.

Moon children are sensitive, thoughtful people who like to keep things to themselves. Gifts from them are usually edible or something very useful

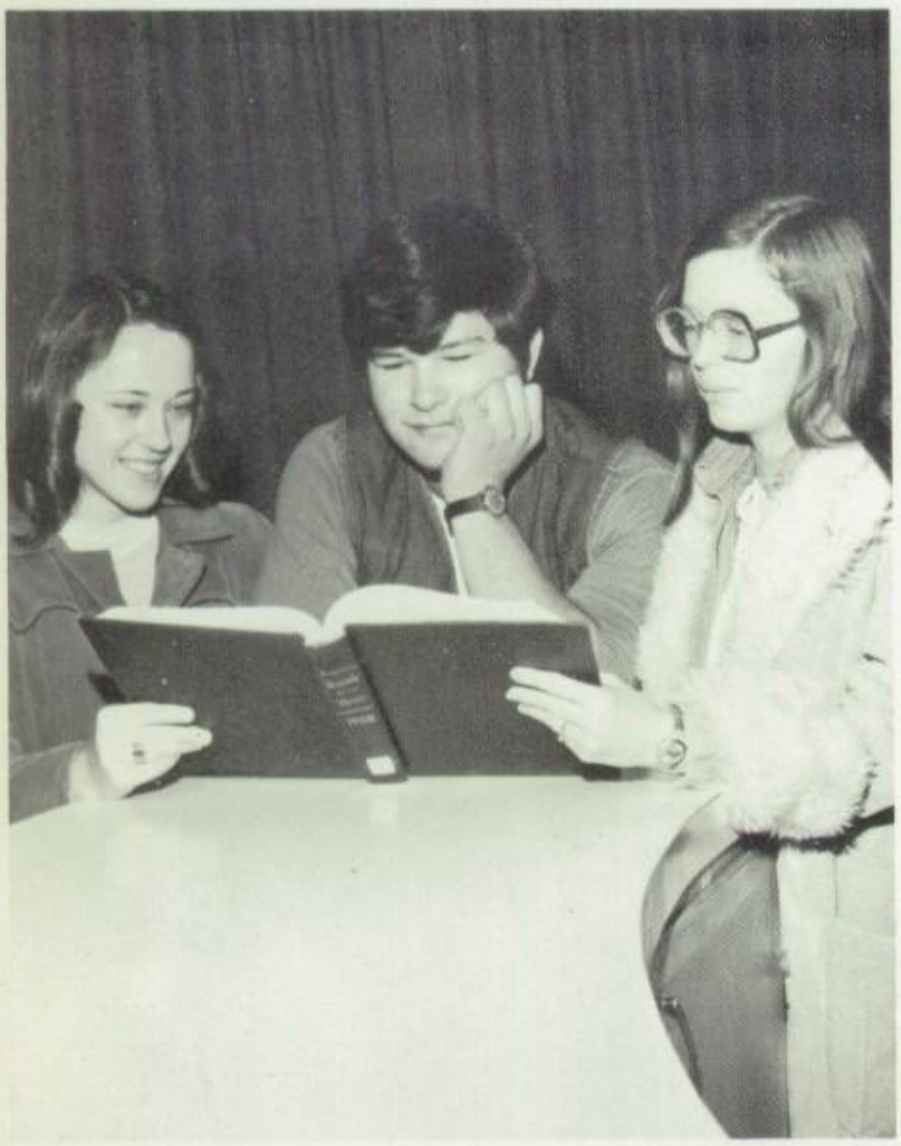
LEO: Tony Brien, Julie Sanders, and Phammie Littlesun.

Those under this sign like to be the center of attention. They are generous, but want praise and gratitude in return for what they do.

VIRGO: Lyle Coe, Charles Tennison, and Russell Fewell.

The reliable Virgo likes quiet solitude, but works well under pressure. He is usually a successful gardener. This person gives generously of his time for those he likes, but expects the best efforts from everyone.

LIBRA: Shirley Martin, Alan Mulder, and Debbie McAlister.



Gifts, art, and beautiful things are pleasing to the Libra. He is persuasive, but must be certain before making a decision himself. Because of this, he is often evasive.

SCORPIO: Granvel Tomlin, Roger Warden, and Tressa Christenson.

The moody, intense Scorpio is a possesive person who demands intelligence. Sometimes the external emotions are to cover deeper feelings the Scorpio doesn't want to reveal.

SAGITTARIUS: Sonny Fields and Joey Garrison.

This good natured, generous person enjoys a dispute. He is deeply sympathetic and very generous with his friends. A skeptic!

CAPRICORN: Tommy Johnson, Tim Casper, Mark Brumfield, Ricky Adams, Jean Carroll, Verna Buchanan.

Often cool and aloof on the surface, the Capricorn is probably trying to cover deeper feelings. These practical people are usually cooperative.

AQUARIUS: Bill Keeton, Nancy Nichols Jobe, Sandra Green, and Glen Elliott.

The Aquarian has high ideals, and is often boastful. He's always unpredictable.

PISCES: Suan Dunn and Bob Buchanan.

The persons under this sign are affectionate. They are inclined to dream. They are emotional, but can leave a person or place without looking back.
